About Me

I am a web developer who is special at fixing problem that you don't know you have, in a way you don't understand. If you're looking for a developer to add to your team, I'd love to hear from you!

Work Experiences

Sr. Software Developer

At HKB Development

Dec 2022 - Present

My work here involved both front-end and back-end development, as well as collaborating with other team members.

Web Developer

At Webignito

April 2020 - Nov 2022

My role primarily involves designing, building, and maintaining web applications using the React.js, Wordpress, Django, etc;

Front End Developer

At Intelegain Technologies

June 2018- Dec 2019

Got whole idea of from creating website to hosting in an optimised way with level to level detailing

Web Developer

At 7pinfomedia

Mar 2018 - May 2018

Started my journey where I got basic idea about how IT world works along with an idea about how commercial world works

Soft Skills

Attention to detail
